

PRESS RELEASE - FOR IMMEDIATE RELEASE

BAY AREA CIRCUITS APPOINTS KT TECHNICAL SALES AS ITS SOUTHERN CALIFORNIA SALES REPRESENTATIVE

Silicon Valley, CA, March 1, 2016 – Bay Area Circuits, Inc., a leading quick-turn manufacturer of printed circuit boards (PCBs), announced the appointment of KT Technical Sales as its new sales representative in the Southern California territory.

“We are very excited to have a firm with KT Technical Sales experience, knowledge and network representing our company,” said Stephen Garcia, President, Bay Area Circuits. “The way the KT Technical Sales team provides end-to-end, business development through consultative sales is aligned with the way we serve our customers. We are confident they will continue their success and help grow our business in the region.”

Added KT Technical Sales President Ken Thompson, “Bay Area Circuits fills an important need in our portfolio of suppliers. The way they do business is the way we do business, with openness and honesty and always putting the customer first. We look forward to a solid, long-term business relationship with them.”

About Bay Area Circuits Inc.

Founded in 1975 by the late Lawrence Nobriga, Bay Area Circuits has been serving the PCB manufacturing needs of high-tech electronics manufacturers, contract assemblers and design engineers for more than 40 years. By focusing on quick-turn prototyping and production while leveraging innovative, high quality designs, Bay Area Circuits has become the premiere PCB supplier for discerning customers around the world.
