

EUROPEAN UNION'S REACH REGULATION DECLARATION CERTIFICATE

The European REACH Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH), entered into force in June 2007, and affects all companies producing, importing, using, or placing products on the European market. The aim of the REACH regulation is to ensure a high level of protection of human health and the environment from chemical substances.

Bay Area Circuits' substances management system follows and complies with the current revision of the REACH Regulation on the substances as identified by ECHA (European Chemical Agency).

Bay Area Circuits' products are considered articles as defined in REACH. These products/articles under normal and reasonable conditions of use do not have intended release of substances. Therefore the requirement in REACH for registration of substances contained in these products/articles does not apply.

Bay Area Circuits' products/article do not contain any of the **Substances of Very High Concern** (SVHC) candidates listed above the regulatory threshold of 0.1% in our products/article nor does LTC's tonnage exceed 1 tonne per importer per year. Therefore the requirement in REACH to notify ECHA of products/articles exceeding these limits is not applicable.

Bay Area Circuits does not have European operations which manufacture or import chemicals; therefore BAY AREA CIRCUITS is not required to register substances.

THE REACH SVHC LIST IS DYNAMIC AND SHOULD NOT BE ASSUMED THE FINAL REACH CANDIDATE LIST.

Brian Paper

Chief Operating Officer

BAY AREA CIRCUITS, INC ACCEPTS NO DUTY TO NOTIFY USERS OF THIS DECLARATION OF UPDATES OR CHANGES TO THIS DECLARATION.

CONTACT INFORMATION:
